

Sports College Bosei

A Danish Sports College with a Japanese twist

Bosei Sports College is a People's High School which places emphasis upon the physical, intellectual and spiritual development of the individual.

At Bosei, it is possible to choose one or two of the following main subjects: **Judo | Karate-do | Taekwondo | Health & Fitness | Outdoor | Japanese | eSport**. We also arrange study trips to Japan, biannually and Okinawa and Korea once a year.

The College was previously a satellite campus belonging to Tokai University in Tokyo and the College has maintained these strong links with Japan ever since. Bosei wishes to continue sharing the traditions of its Japanese heritage and the College is the forefront of European schools, which specialize in East Asian Culture.

We warmly welcome you to one or two of our half yearly courses:

Autumn: August - December - 19 weeks

Spring: January - June - 24 weeks

BOSEI - is a unique Danish Sports College with a Japanese twist

Bosei is a Sports College, situated in Denmark, **for everyone over 18 years of age**. The school is just a one hour drive south from Copenhagen and is also easily accessible via public transport.

In addition to the main subjects you can also immerse yourself in a variety of optional subjects. Some of the subjects run throughout the term and others are changed halfway through. Examples of optional subjects: **Manga | Cosplay | Anime | Martial Arts Fitness | Meditation | Self Defense | Music | Shiatsu | Climbing | Korean Culture | Swimming | Futsal | Volleyball | Crossfit.**

You live, eat and learn at the school. **You design your own schedule** and there will be no examination at the end. Evolve your personality and enhance your mental health **in an international environment**. Here you can also **boost your English skills** on a daily basis.

If you have any questions about a possible term at Bosei or moving to Denmark, please contact us and we will be more than happy to help.
